

- Published in a International journal entitled “**Implementation of 3-phase Shunt Active Power Filter For The Reduction Using Hysteresis Controller**”(Annexure-II)
- Published in a International journal entitled “**Comparison of PI and FUZZY Controller For The Effective Power Flow Using Renewable Energy**”(Annexure-II).
- Published in a International journal entitled “**Implementation of New Control Technique for Interleaved Flyback Inverter Based PV System**” at IJERT. (*Google Scholar*)
- Published in a International journal entitled“**Implementation of single phase PV based three switch three port flyback inverter with series decoupling circuit for grid application**” at IOSRJEN.
- Published in a International journal entitled“**Modelling and Simulation of Grid Connected PV/WT energy system using super-Capacitor**” at IOSRJEN.
- Published in a International journal entitled“**Modelling of permanent magnet machine by using ceiling fan system**” at IOSRJEN.
- Published in a International journal entitled“**Monitoring and Controlling of Power transmission by PLC and SCADA**” at IOSRJEN.
- Published in a International journal entitled“**Monitoring and Control of three phase induction motor using IOT based concept**” at IOSRJEN.
