STUDENT WELFARE POLICY

Objectives:

The primary responsibility of Achariya College of Engineering Technology is to ensure the overall development of its students. This policy aims to guide students in accessing the available facilities for their welfare.

Scope:

- Recognizing students as the most important stakeholders, the college prioritizes their welfare. Various schemes have been introduced to provide financial assistance, support for co-curricular and extra-curricular activities, and overall growth opportunities.
- The college has introduced various schemes for the benefits of the student community and these schemes range from providing fully or partial financial help to support for co-curricular and extra-curricular activities. The college intends to provide facilities for overall growth of every student.

General Guidelines:

- The establishment of a Students' Council empowers students to represent their interests in college governance. The council is responsible for organizing co-curricular activities under the guidance of a designated advisor, fostering leadership qualities among students.
- The students' council is mandated to organize cocurricular and other student activities advised by the students council advisor. This promotes the leadership qualities.
- The Students' Council may establish clubs such as sports clubs, fluentia clubs, and student chapters of professional bodies to enrich students' experiences and skill sets.
- The students are encouraged to participate in various games and sports. The facilities are available for both boys and girls. The Sports and Games department is responsible for organizing the various events. Practices (Sports and Cultural activities) are sessions held as per the following timing in the college premises:
 - ✓ Summer: 3.30 pm to 6.30pm.
 - ✓ Winter 3.30 pm to 5.30pm
- The students are also encouraged to participate in literary and cultural events.
- The college has facilities for cultural programmes.
- Well-equipped gymnasium and yoga facility is available for use by students.

PRINCIPAL

PUDUCHERRY - 605 110.

Available schemes:

1. Financial Assistance:

- ✓ Management Scholarships (Sports, NSS, Single parent, Parentless child, First Graduate)
- ✓ Freeship (Students securing more than 80% in State Board Examination and CBSE , Merit scholarship)
- ✓ Admission Fee Concession
- ✓ Partial Tuition Fees Waiving (Special scheme for economically weaker and family background)
- ✓ Government scholarships for Pondicherry residents
- ✓ Perunthalaivar Kamarajar Financial Assistance Scheme (CENTAC)
- ✓ Adi Dravidar Welfare Scheme (Post Matric Scholarship)

2. Transport and Accommodation support:

Transport assistance and limited hostel facilities are provided to students. Catering services are available on a payment basis.

3. Career Guidance and placement:

- The Placement and Career Guidance Cell organizes programs to prepare students for placements and higher studies. Industrial visits, internships, and training programs are facilitated to enhance students' employability.
- The placement and career guidance cell periodically organize various programmes to prepare the students for placements. The students are prepared to face the interview successfully. The college often invites outside resource persons.
- The placement cell is in touch with various recruiting agencies including the various industries. The college aims to have 100% placement of its students. The opportunities available for higher studies are made known to students through special lectures.
- The career guidance, cell subscribes various magazines and newspapers including Employment News for latest information The College is in touch with alumni to build a bridge for employment, training and career growth.

Medical/Health Counselling Facilities:

The college provides medical benefits to the students whenever they need. This facility is usually offered through/in association with nearest healthcare providing institutions the students requiring counselling and provided with facilities.

Resource facilities:

The college provides internet and Wi-Fi facilities, book banks, library resources, and e-learning platforms to support students' academic endeavors.
