RESERVATION POLICY

Objectives:

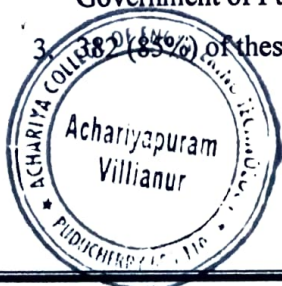

Reservation Policy is as designed by the Government of Puducherry is applicable to the college. The policy intends to sensitize and guide the staff of the college especially those are involved in the admission process.

Scope:

- Access to education to all the sections of the society including backward students. The reservation criteria are different for different states. The reservation rules of Puducherry are applicable to Achariya College of Engineering Technology. The staff involve in admission of various programmes must be thorough with admission and reservation policy of the college.
- The reservation policy of the college is in consistent with the policy of Puducherry government.
- In keeping with the reservation criteria of CENTAC made public by the Centralised Admission Committee (CENTAC), 85% (382) of these certified seats will be reserved for contenders in the UT of Puducherry. The remaining 15% of seats will be accessible to contenders from other states/Union Territories (46 positions) and NRI candidates (22 places).
- In the event of entrants from UT of Puducherry, there will remain both vertical and horizontal reservations of seats. The upright seat includes a reservation of seats for OBC, EBC, SC, ST, MBS, BT, BCM, and general category contenders.
- Horizontal reservation, temporarily, Covers PH, FF, EX, and SP applicants and will be implemented if seats set aside for the groups above are empty after the standard admission process.

CENTAC Reservation Criteria Essential Points

1. There are overall 480 certified B. Tech seats
2. Reservation of CENTAC seats will be made following the policy authorized through the Government of Puducherry.
3. 382 (85%) of these seats will be given to contenders from the UT of Puducherry
